1162c Hanchabeng, Bolata, Phuthaditjhaba, Free State 9870 • (078) 330 6898 •
moloimartin8@gmail.com

OVERVIEW

I am a recent junior software developer with a love for technology, coding, and continuous learning. Open-minded and eager to explore new ideas, I thrive on understanding different perspectives. A natural problem- solver and critical thinker, I believe every challenge deserves a solution — and I enjoy building them

EDUCATION
